MEADOWBANK MARVELS

Senior Athletics Day

Last week Year 3-6 children participated in the annual athletics day. Well done to everyone who took part and good luck to those who will represent Meadowbank School at the Zone Athletics on Wednesday 28 November.

R14 and R23 Buddy Time

This year Room 14 and Room 23 have met regularly as buddy classes. They have participated in sports rotations, buddy reading, presentations and talent sharing where each child chose an activity to share and teach to their buddy. They ended the year with organised sports. The Year 5's ran a rotation of activities for the children for the afternoon and they all loved it.

Josh- "It went really well because we taught our buddies how to make their own planes."

Paolo - "We made lots of new buddies."

Lauren - "The race was fun and fair."

Jacque - "We didn't get to do two activities but because everyone was happy and enjoying themselves it was ok to do just one."

YEAR 2 PARENT SHOWCASE

On Monday the Year 2 children showcased their learning to their parents. They shared their learning from a range of curriculum areas including Māori, ICT, Discovery Time and Mathematics.
